NEW BOOK "WHY I LOVE THE MINISTRY"

Publication Date: December 2011

Language: English

Everyone has a story to tell. God loves good stories. That's why He has so many of them, and He is still working His purposes in people's lives today. The Whitneys have witnessed God's handiwork and experienced provision, rescues, healings and answers to prayer when things appeared hopeless. They've seen God bring good out of seemingly impossible situations. He is the Lord of fulfilled dreams and your small beginnings could lead you to paths of great adventure. Pastor Ron and Wanda have seen a great number of such events, some not even shared yet. As you read these 37 stories of God intervening in lives, you will learn why they love the Ministry and you will also gain a greater understanding of the life-changing gospel of Christ.

Ron Whitney was born in Kingston, Washington. He attended Northwest College in Kirkland, Washington where he met his wife, Wanda. Together they sponsored and directed Gospel MusicFests for five years at the Ocean Shores Convention Center. He has been a pastor for 40 years, author, singer, songwriter; missionary-evangelist to West Indies, South America, Uganda, West Africa, Singapore and Malaysia; and currently is an evangelist and popular guest speaker. They now live in Ocean Shores, Washington.
